

What is the purpose of this statement?

This statement provides key information about the Lifestages KiwiSaver Scheme - Lifestages Capital Stable Portfolio. It tells you how the fund has performed and what fees it charged, and will help you to compare it with other funds. We prepared this statement in accordance with the KiwiSaver (Periodic Disclosure) Regulations 2013. This information is not audited and may be updated.

Description of the fund

The Lifestages Capital Stable Portfolio aims to provide a low risk investment option. It is generally suitable if you want to have a 'low risk' investment portfolio which has the majority of its assets invested in cash and fixed interest investments.

How has the fund performed?

	Past five years	Past year
Annual return (after deductions for fund fees and tax ¹)	3.52%	5.12%

How has the fund performed in the past?

This shows the return after fund fees and tax for each tax year since the fund started and the average annual return since the fund started. It's important to note that this doesn't tell you how the fund will perform in the future.

What fees were members charged?

The returns above are after deductions for **fund fees**². Over the past year these were:

Total fund fees	1.73%
<i>of members' investments</i>	
<i>Which are made up of:</i>	
Annual management fee	0.73%
Performance-based fees	0.00%
